TRAFFIC CONTROL	DEVICES		

Location:
BOTH SIDES OF ESCALON-BELLOTA RD. 1000' NORTH & SOUTH OF HWY 4

In compliance with your request of **01/06/2009** , permission is hereby granted to do work in County right-of-way as shown on attached application and subject to all the terms, conditions and restrictions written below or printed as general or special provisions on any part of this form. See reverse side and attached sheet, if any.

Trench excavations for service connections will not be permitted within ten feet (10') of pavement centerline unless otherwise approved by the Director. Surface of trench patches shall match in kind and be smooth and even with that of abutting surface. Special attention shall be given to depth of utilities through roadside area in anticipation of future drainage facilities, road profile and/or frontage development. All underground utility facilities are to be established and accurately dimensioned on sketches from surveyed centerline of road right of way, or from right of way (border) lines.

The Department of Public Works, Field Inspection Section shall receive a notice at least forty-eight hours prior to beginning any work within the County right of way. All work performed under this permit shall conform to the rules and regulations pertaining to safety established by the California Division of Industrial Safety and Cal-OSHA.

The jobsite shall be kept in a safe condition at all times by the daily removal of any excess dirt or debris which might be a hazard to either pedestrian or automobile traffic. All necessary traffic convenience and warning devices and personnel shall be provided, placed and maintained by and at the sole expense of the Permittee in accordance with the latest edition of the CALTRANS Manual of Traffic Control.

After completion of the work permitted herein, all debris, lumber, barricades, or any excess material shall be removed and the jobsite left in a neat workmanlike manner. Immediately following completion of construction permitted herein, Permittee shall fill out and mail notice of completion provided by Grantor.

STATEMENT OF ACTIVITY

Placement of signs and safety cones will be upon Escalon-Bellota Road right-of-way within 1,000 feet north and south of State Highway 4. The signs will say "SHOULDER WORK AHEAD" notifying the traveling public of an activity adjacent the Farmington Fire Station located at the southwest corner of State Highway 4 and Escalon Bellota Road. The safety cones will be supplemented near the signs to separate the traveling public from activities on the shoulder. To enhance awareness of pedestrians near the crosswalks, a cone will be place at the centerline of HWY 4 on the approach bar of the crosswalks. Sign installment will be per MUTCD standards. Fire staff will wear high reflective vests to enhance visibility near the intersection.
