|---|---|---|---|
| Temp. Road Closure | | | |

**Location:**
VARIOUS ROADS - SEE ATTACHED MAP - ON MAY 16, 2009 FROM 8:00 A.M. TO 12:00 P.M.

In compliance with your request of **02/17/2010**, permission is hereby granted to do work in County right-of-way as shown on attached application and subject to all the terms, conditions and restrictions written below or printed as general or special provisions on any part of this form. See reverse side and attached sheet, if any.

Trench excavations for service connections will not be permitted within ten feet (10') of pavement centerline unless otherwise approved by the Director. Surface of trench patches shall match in kind and be smooth and even with that of abutting surface. Special attention shall be given to depth of utilities through roadside area in anticipation of future drainage facilities, road profile and/or frontage development. All underground utility facilities are to be established and accurately dimensioned on sketches from surveyed centerline of road right of way, or from right of way (border) lines.

Permittee shall call the Department of Public Works, Field Engineering Division at (209)953-7421 (Permits Inspections) at least forty-eight hours prior to beginning any work within the County right of way. All work performed under this permit shall conform to the rules and regulations pertaining to safety established by the California Division of Industrial Safety and Cal-OSHA.

The jobsite shall be kept in a safe condition at all times by the daily removal of any excess dirt or debris which might be a hazard to either pedestrian or automobile traffic. All necessary traffic convenience and warning devices and personnel shall be provided, placed and maintained by and at the sole expense of the Permittee in accordance with the latest edition of the CALTRANS Manual of Traffic Control.

After completion of the work permitted herein, all debris, lumber, barricades, or any excess material shall be removed and the jobsite left in a neat workmanlike manner. Immediately following completion of construction permitted herein, Permittee shall fill out and mail notice of completion (see attached post card) provided by Grantor.

# ENCROACHMENT PERMIT

## GENERAL PROVISIONS

1. This permit is issued under and subject to a11 1aws and ordinances of agencies governing the encroachment herein permitted. See the following references:
   STREETS AND HIGHWAYS CODE
   1. Division 1, Chapter 3
   2. Division 2, Chapter 2, Section 942
   3. Division 2, Chapter 4, Section 1126
   4. Division 2, Chapter 6

   SAN JOAQUIN COUNTY ORDINANCES NUMBERED: 324, 441; 648, 662, 672, 695, 700, 860, and 892.

2. It is understood and agreed by the Permittee that the doing of any work under this permit shall constitute an acceptance of all the provisions contained herein and failure on the Permittee's part to comply with any provision will be cause for revocation of this permit. Except as otherwise provided for public agencies and franchise holders, this permit is revocable on five days notice.

3. All work shall be done subject to the supervision of and the satisfaction of the grantor. The Permittee shall at all times during the progress of the work keep the County Highway in as neat and clean a condition as is possible and upon completion of the work granted herein, shall leave the County Highway in a thoroughly neat, clean and usable condition.

4. The Permittee also agrees by the acceptance of this permit to properly maintain any encroachment structure placed by the Permittee on any part of the County Highway and to immediately repair any injury to any portion of the highway, which occurs as a result of the maintenance of the said encroachment structure, until such time as the Permittee may be relieved of the responsibility of such maintenance of the encroachment structure by the County of San Joaquin.

5. The Permittee also agrees by the acceptance of this permit to make, at its own expense, such repairs as may be deemed necessary by the County Director of Public Works or his representative.

6. It is further agreed by the Permittee that whenever construction, reconstruction or maintenance work upon the highway may. require, the installation provided for herein shall, upon request of the County Department of Public Works, be immediately moved by and at the sole expense of the Permittee.

7. No material used for fill or backfill in the construction of the encroachment shall be borrowed or taken from within the County right of way.

8. All work shall be planned and carried out so that there will be as little inconvenience as possible to the traveling public. No material shall be stacked within eight feet (8') of the edge of the pavement or traveled way unless otherwise provided herein. Adequate provision shall be made for the protection of the traveling public. Barricades shall be placed, With approved Signs and lights at light, and flagmen shall be employed, all as may be required by the particular work in progress.

9. The Permittee, by the acceptance of this permit, shall assume full responsibility for all liability for personal injury or damage to property which may arise out of the work herein permitted or which may arise out of the failure of the part of the Permittee to do the work provided for under this permit. In the event any .claim of such liability is made against the County of San Joaquin or any department, official or employee thereof, the Permittee shall defend, indemnify, and hold them and each of them harmless for such claim.

10. All backfill material is to be moistened as necessary and thoroughly compacted with mechanical means. If required by the County Director of Public Works, such backfill shall consist of gravel or crushed rock. The Permittee shall maintain the surface over structures placed hereunder as may be necessary to insure the return of the roadway to a completely Stable condition and until relieved of such responsibility by the County Department of Public Works. Wherever a gravel, crushed rock or asphalt surfacing is cut or damaged in the work of placing an encroachment structure, such material shall either be separately stored and replaced in the roadway as nearly as possible.in its original state or shall be replaced in kind, and the roadway shall be left in at least as good a condition as It was before the commencement of operations of placing the encroachment structure.

11. Whenever necessary to, secure permission from abutting property owners, such authority must be secured by the Permittee prior to starting work..

12. The future safety and convenience of the traveling public shall be given every consideration in the location and type of construction.

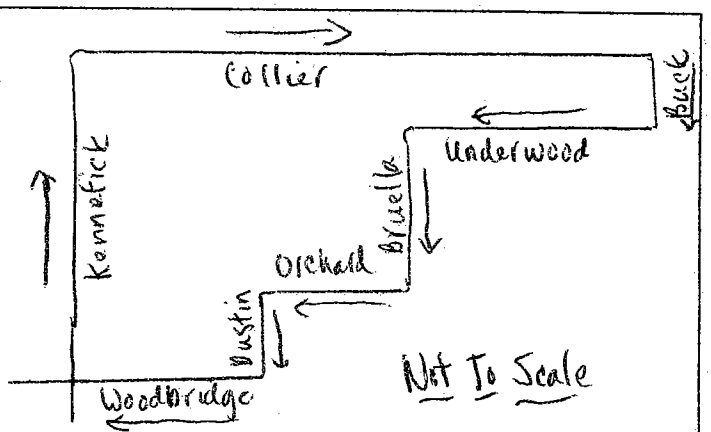
Event Day: May 16, 2010



The undersigned hereby applies for permission to excavate, construct and/or otherwise encroach on County Highway Right-of-Way on the both sides of several rural county roads approximately _____ feet/mile _____ of _____, _____, by performing the following work (description of work): Use of both lanes of Kennefick, Collier, Buck, Underwood, Brisella, Orchard, Dustin, + Woodbridge until the last runner passes each intersection. The roads would then be clear of runners at that time and normal use of roadway would resume

Work will commence on or about 5/16/10 7am - approx 11:30am for approximately 3 to 4 hours of 1 days.

I, the undersigned, certify that I am the owner of the respective property, or am qualified to represent the owner and agree to do the work described above in accordance with the rules and regulations of San Joaquin County and subject to inspection and approval.

# RESOLUTION

R-08-203

## RESOLUTION APPROVING TEMPORARY ROAD CLOSURE FOR THE ANNUAL AVENUE OF THE VINES HALF MARATHON

---

WHEREAS, Woodbridge Winery, hereinafter referred to as APPLICANT, has applied for permission to temporarily close Kennefick Road between Woodbridge Road and Collier Road; Collier Road between Kennefick Road and Buck Road; Buck Road between Collier Road and Underwood Road; Underwood Road between Buck Road and Bruella Road; Bruella Road between Underwood Road and South Orchard Road; South Orchard Road between Bruella Road and Dustin Road; Dustin Road between South Orchard Road and Woodbridge Road; and Woodbridge Road between Dustin Road and Kennefick Road for the Annual Avenue of The Vines Half Marathon at the Woodbridge Winery on Sunday, May 18, 2008, from 8:00 a.m. to 12:00 p.m.; and

WHEREAS, the Woodbridge Winery Avenue of The Vines Half Marathon is an annual event; and

WHEREAS, it is anticipated that the Applicant will be requesting permission to temporarily close to traffic certain County roads in and near the Woodbridge Winery for the Annual Avenue of the Vines Half Marathon in future years.

NOW THEREFORE, BE IT RESOLVED that it is the finding of the Board of Supervisors that, as authorized by Section 10-2700 of the Ordinance Code of San Joaquin County and the request of the California Highway Patrol, it is necessary for the protection of the public to grant permission to temporarily close Kennefick Road between Woodbridge Road and Collier Road; Collier Road between Kennefick Road and Buck Road; Buck Road between Collier Road and Underwood Road; Underwood Road between Buck Road and Bruella Road; Bruella Road between Underwood Road and South Orchard Road; South Orchard Road between Bruella Road and Dustin Road; Dustin Road between South Orchard Road and Woodbridge Road; and Woodbridge Road between Dustin Road and Kennefick Road for the Annual Avenue of The Vines Half Marathon at the Woodbridge Winery on Sunday, May 18, 2008, from 8:00 a.m. to 12:00 p.m., and on the third Sunday in May in future years.

BE IT FURTHER RESOLVED that this action shall be subject to the following conditions:

1. That an Encroachment Permit shall be obtained from the Department of Public Works for the road closures.

2. That the performance of any procedure related to this Permit shall constitute an acceptance of all the provisions contained herein and failure on the APPLICANT'S part to comply with any provision will be cause for revocation of this Permit.

R-08-203

3. Door-to-door outreach to local residents shall be notified of the event.

4. Provisions shall be made for local traffic. Signage and detour placed along route pursuant to the California Manual of Uniform Control Devices. California Highway Patrol will control major intersections, and Sheriff's Team Active Retired Seniors will control minor intersections.

5. That should emergency conditions arise during the road closure period, temporary opening of road shall be implemented immediately by the APPLICANT.

6. That APPLICANT shall provide liability insurance in an amount and form acceptable to County Counsel and the County's Safety Officer.

PASSED AND ADOPTED 4/15/08, by the following vote of the Board of Supervisors, to wit:

AYES: RUHSTALLER, ORNELLAS, GUTIERREZ, VOGEL

NOES: NONE

ABSENT: MOW
