To whom it may concern,

The Waterloo-Morada Professional Firefighters Association is aware that the Morada Area Association is hosting a 5k fun run on Saturday September 9th from 0800 to 1030 hrs. We have a map of the route, have approval from CHP Office that will be providing traffic control. We also will have American medical Response Paramedics on hand to provide EMS, and our fire district will have fire personnel and apparatus in the area available to respond. This race will not affect any emergency response vehicles.

This event will be a first annual event and we are working very diligently to ensure its success. The Morada area is a small community of people who have a great deal of pride in ownership. The intent of this run is to bring neighbors together in a positive environment that promotes health and wellness. The community of Morada has been around for over half of a century and does not have a standalone center where they can gather. All proceeds from this event are being raised to attach a community center to the new firehouse that is planned for future construction. We are very excited about this event and know all who attend are sure to not only appreciate the beauty of Morada they will see on the run course, but also have a safe and fun time.

Respectfully,

Captain Randy E. Burns
